

RACE SIGNALS

The meanings of visual and sound signals are stated below. An arrow pointing up or down ($\uparrow \downarrow$) means that a visual signal is displayed or removed. A dot (\bullet) means a sound; five short dashes (-----) mean repetitive sounds; a long dash (—) means a long sound. When a visual signal is displayed over a class flag, the signal applies only to that class.

Postponement Signals

INTRODUCTION

The Windsurfing Competition Rules has been extracted from *The Racing Rules of Sailing* and adapted to windsurfing. It includes two main sections. The first, Parts 1–7, contains rules that affect all competitors. The second, Appendices A–N, provides details of rules and recommendations.

Revision The racing rules are revised and published every four years by the International Sailing Federation (ISAF), the international authority for the sport. This edition becomes effective on 1 January 2005. Marginal markings indicate important changes to Parts 1–7 and the Definitions of the 2001–2004 edition. No changes are contemplated before 2009, but any changes determined to be urgent before then will be announced through national authorities and posted on the ISAF website (www.sailing.org).

ISAF Codes The ISAF Eligibility, Advertising and Anti-Doping Codes (Regulations 19, 20 and 21) are referred to in the definition *Rule* but are not included in this book because they can be changed at any time. New versions will be announced through national authorities and posted on the ISAF website.

Cases The ISAF publishes interpretations of the racing rules in *The Case Book for 2005–2008* and recognizes them as authoritative interpretations and explanations of the rules. This publication is available on the ISAF website.

Terminology A term used in the sense stated in the Definitions is printed in italics or, in preambles, in bold italics (for example, *racing* and ***racing***). ‘Board’ means a sailboard and the competitor on board; when a board meets a boat, it means ‘boat’ as appropriate ‘Race committee’ includes any person or committee performing a race committee function. Other words and terms are used in the sense ordinarily understood in nautical or general use.

Appendices Each appendix is identified by a letter. A reference to a rule in an appendix will contain the letter and the rule number (for example, ‘rule A1’). There is no Appendix I or O, and Appendices B, C, D, E and P are omitted from the windsurfing rules.

Changes to the Rules The prescriptions of a national authority, class rules or the sailing instructions may change a racing rule only as permitted in rule 86.

Changes to National Authority Prescriptions A national authority may restrict changes to its prescriptions as provided in rule 87.

BASIC PRINCIPLE

SPORTSMANSHIP AND THE RULES

Competitors in the sport of sailing are governed by a body of *rules* that they are expected to follow and enforce. A fundamental principle of sportsmanship is that when competitors break a *rule* they will promptly take a penalty, which may be to retire.

WINDSURFING COMPETITION

Windsurfing competition shall be sailed under The Racing Rules of Sailing as changed by its Appendix B or, equivalently, under The Windsurfing Competition Rules. Wherever a rule of Appendix B appears in these windsurfing rules, its rule number is stated.

A windsurfing event can include one or more of the following disciplines or their formats:

Discipline	Formats
<i>Racing</i>	<i>Course racing; slalom; marathon</i>
<i>Expression</i>	<i>Wave performance; freestyle</i>
<i>Speed</i>	

In expression competition a board's performance is judged on skill and variety rather than speed and is organized using elimination series. Either wave performance or freestyle competition is organized, depending on the wave conditions at the venue. In speed competition, a 'round' consists of one or more speed runs in which the boards take turns sailing the course at intervals. In the racing discipline a marathon race is a race scheduled to last more than one hour.

In slalom racing or expression competition, 'heat' means one elimination contest, a 'round' consists of one or more heats, and an elimination series consists of a maximum of four rounds.

PART 1

FUNDAMENTAL RULES

1 SAFETY

1.1 Helping Those in Danger

A board or competitor shall give all possible help to any person or vessel in danger.

1.2 Life-Saving Equipment and Personal Buoyancy

A board shall carry adequate life-saving equipment according to her class rules. Each competitor is individually responsible for wearing personal buoyancy adequate for the conditions.

2 FAIR SAILING

A board and her owner shall compete in compliance with recognized principles of sportsmanship and fair play. A board may be penalized under this rule only if it is clearly established that these principles have been violated. A disqualification under this rule shall not be excluded from the board's series score.

3 ACCEPTANCE OF THE RULES

By participating in a race conducted under these racing rules, each competitor and board owner agrees

- (a) to be governed by the *rules*;
- (b) to accept the penalties imposed and other action taken under the *rules*, subject to the appeal and review procedures provided in them, as the final determination of any matter arising under the *rules*; and
- (c) where the matter is not one to be determined under the rules, not to resort to any court of law or any tribunal until all internal remedies provided by the ISAF or the Court of Arbitration for Sport have been exhausted.

4 DECISION TO RACE

The responsibility for a board's decision to participate in a race or to continue *racing* is hers alone.

5 BANNED SUBSTANCES AND METHODS

A competitor shall neither take a substance nor use a method banned by the Olympic Movement Anti-Doping Code or the World Anti-Doping Agency and shall comply with ISAF Regulation 21, Anti-Doping Code. An alleged or actual breach of this rule shall be dealt with under Regulation 21. It shall not be grounds for a *protest* and rule 63.1 does not apply.

PART 2

WHEN BOARDS MEET

*The rules of Part 2 apply between boards that are sailing in or near the racing area and intend to **race**, are **racing**, or have been **racing**. However, a board not **racing** shall not be penalized for breaking one of these rules, except rule 22.1. When a board sailing under these rules meets a vessel that is not, she shall comply with the International Regulations for Preventing Collisions at Sea (IRPCAS) or government right-of-way rules. However, an alleged breach of those rules shall not be grounds for a **protest** except by the race committee or protest committee. If the sailing instructions so state, the rules of Part 2 are replaced by the right-of-way rules of the IRPCAS or by government right-of-way rules.*

SECTION A

RIGHT OF WAY

*A board has right of way when another board is required to **keep clear** of her. However, some rules in Sections B, C and D limit the actions of a right-of-way board.*

10 ON OPPOSITE TACKS

*When boards are on opposite *tacks*, a *port-tack* board shall *keep clear* of a *starboard-tack* board.*

11 ON THE SAME TACK, OVERLAPPED

*When boards are on the same *tack* and *overlapped*, a *windward* board shall *keep clear* of a *leeward* board.*

12 ON THE SAME TACK, NOT OVERLAPPED

*When boards are on the same *tack* and not *overlapped*, a board *clear astern* shall *keep clear* of a board *clear ahead*.*

13 WHILE TACKING OR GYBING

13.1 *After a board passes head to wind, she shall *keep clear* of other boards until she is on a close-hauled course. During that time rules*

10, 11 and 12 do not apply. If two boards are subject to this rule at the same time, the one on the other's port side or the one astern shall *keep clear*.

13.2 A board gybing shall *keep clear* of other boards. During that time
B3.1 rules 10, 11 and 12 do not apply. If two boards are subject to this rule at the same time, the one on the other's port side or the one astern shall *keep clear*.

SECTION B

GENERAL LIMITATIONS

14 AVOIDING CONTACT

A board shall avoid contact with another board if reasonably possible. However, a right-of-way board or one entitled to *room*

- (a) need not act to avoid contact until it is clear that the other board is not *keeping clear* or giving *room*, and
- (b) shall not be penalized under this rule unless there is contact that causes damage or injury.

15 ACQUIRING RIGHT OF WAY

When a board acquires right of way, she shall initially give the other board *room to keep clear*, unless she acquires right of way because of the other board's actions.

16 CHANGING COURSE

16.1 When a right-of-way board changes course, she shall give the other board *room to keep clear*.

16.2 In addition, when after the starting signal a *port-tack* board is *keeping clear* by sailing to pass astern of a *starboard-tack* board, the *starboard-tack* board shall not change course if as a result the *port-tack* board would immediately need to change course to continue *keeping clear*.

17 Deleted.
B3.1

SECTION C

AT MARKS AND OBSTRUCTIONS

To the extent that a Section C rule conflicts with a rule in Section A or B, the Section C rule takes precedence.

18 ROUNDING AND PASSING MARKS AND OBSTRUCTIONS

*In rule 18, **room** is **room** for an inside board to round or pass between an outside board and a **mark** or **obstruction**, including **room** to tack or gybe when either is a normal part of the manoeuvre.*

18.1 When This Rule Applies

Rule 18 applies when boards are about to round or pass a *mark* they are required to leave on the same side, or an *obstruction* on the same side, until they have passed it. However, it does not apply

- (a) at a starting *mark* surrounded by navigable water or at its anchor line from the time the boards are approaching them to *start* until they have passed them, or
- (b) while the boards are on opposite *tacks*, either on a beat to windward or when the *proper course* for one of them, but not both, to round or pass the *mark* or *obstruction* is to tack.

18.2 Giving Room; Keeping Clear

(a) OVERLAPPED – BASIC RULE

When boards are *overlapped* the outside board shall give the inside board *room* to round or pass the *mark* or *obstruction*, and if the inside board has right of way the outside board shall also *keep clear*. Other parts of rule 18 contain exceptions to this rule.

(b) Deleted.

B3.1

(c) Deleted.

B3.1

(d) CHANGING COURSE TO ROUND OR PASS

When after the starting signal rule 18 applies between two boards and the right-of-way board is changing course to round or pass a *mark*, rule 16 does not apply between her and the other board.

(e) OVERLAP RIGHTS

If there is reasonable doubt that a board obtained or broke an *overlap* in time, it shall be presumed that she did not. If the outside board is unable to give *room* when an *overlap* begins, rules 18.2(a) and 18.2(b) do not apply.

18.3 Deleted.

B3.1

18.4 Gybing

When an inside *overlapped* right-of-way board must gybe at a *mark* or *obstruction* to sail her *proper course*, until she gybes she shall sail no farther from the *mark* or *obstruction* than needed to sail that course.

18.5 Passing a Continuing Obstruction

While boards are passing a continuing *obstruction*, rules 18.2(b) and 18.2(c) do not apply. A board *clear astern* that obtains an inside *overlap* is entitled to *room* to pass between the other board and the *obstruction* only if at the moment the *overlap* begins there is *room* to do so. If there is not, she is not entitled to *room* and shall *keep clear*.

19 ROOM TO TACK AT AN OBSTRUCTION

19.1 When approaching an *obstruction*, a board sailing close-hauled or above may hail for *room* to tack and avoid another board on the same *tack*. However, she shall not hail unless safety requires her to make a substantial course change to avoid the *obstruction*. Before tacking she shall give the hailed board time to respond. The hailed board shall respond by either

- (a) tacking as soon as possible, in which case the hailing board shall also tack as soon as possible, or
- (b) immediately replying ‘You tack’, in which case the hailing board shall tack as soon as possible and the hailed board shall give *room*, and rules 10 and 13 do not apply.

19.2 Rule 19.1 does not apply at a starting *mark* surrounded by navigable water or at its anchor line from the time boards are approaching them to *start* until they have passed them or at a *mark* that the hailed board can fetch. When rule 19.1 applies, rule 18 does not.

SECTION D

OTHER RULES

When rule 20 or 21 applies between two boards, Section A rules do not.

20 STARTING ERRORS; PENALTY TURNS; MOVING ASTERN

20.1 A board sailing towards the pre-start side of the starting line or its extensions after her starting signal to *start* or to comply with rule 30.1 shall *keep clear* of a board not doing so until she is completely on the pre-start side.

20.2 A board making a penalty turn shall *keep clear* of one that is not.

20.3 A board moving astern by backing a sail shall *keep clear* of one that is not.

21 CAPSIZED, ANCHORED OR AGROUND; RESCUING

21.1 If possible, a board shall avoid a board that is capsized or has not regained control after capsizing, is anchored or aground, or is trying to help a person or vessel in danger. A board is capsized when her masthead is in the water.

21.2 A *capsized* board shall not take an action that hinders another board.

B3.1

22 INTERFERING WITH ANOTHER BOARD

22.1 If reasonably possible, a board not *racing* shall not interfere with a board that is *racing*.

22.2 A board shall not change course if her only purpose is to interfere with a board making a penalty turn or one on another leg or lap of the course.

22.3 A board shall not sail in the course area defined in the sailing instructions when races are taking place except in her own race.

B3.1

23 SAIL OUT OF THE WATER WHEN STARTING

B3.1 When approaching the starting line to *start*, a board shall have her sail out of the water and in a normal position, except when accidentally *capsized*.

SECTION E

EXPRESSION AND SPEED COMPETITION

These rules replace all rules of Sections A, B, C and D.

24 RIGHT-OF-WAY RULES FOR EXPRESSION AND SPEED COMPETITION

24.1 Right-of-Way Rules for Expression Competition

B4.1 (a) COMING IN AND GOING OUT

A board *coming in* shall *keep clear* of a board *going out*. When two boards are *going out* or *coming in* while on the same wave, or when neither is *going out* or *coming in*, the board on *port tack* shall *keep clear* of the one on *starboard tack*.

(b) BOARDS ON THE SAME WAVE, COMING IN

When two or more boards are on a wave *coming in*, a board that does not have *possession* shall *keep clear*.

(c) CLEAR ASTERN, CLEAR AHEAD AND OVERTAKING

A board *clear astern* and not on a wave shall *keep clear* of a board *clear ahead*. An *overtaking* board that is not on a wave shall *keep clear*.

(d) TRANSITION

A board in *transition* shall *keep clear* of one that is not. When two boards are in *transition* at the same time, the one on the other's port side or the one astern shall *keep clear*.

24.2 Right-of-Way Rules for Speed Competition

B6.1 (a) BEACH AND WATER STARTING

A board shall not *beach start* or water start on the course or in the starting area, except to sail off the course to avoid boards that are *starting* or *racing*.

(b) LEAVING THE COURSE AREA

A board leaving the course area shall *keep clear* of boards *racing*.

PART 3

CONDUCT OF A RACE

25 NOTICE OF RACE, SAILING INSTRUCTIONS AND SIGNALS

The notice of race and sailing instructions shall be made available to each board before a race begins. The meanings of the visual and sound signals stated in Race Signals shall not be changed except under rule 86.1(b). The meanings of any other signals that may be used shall be stated in the sailing instructions.

26 STARTING SYSTEMS

26.1 Starting Races

B3.2 The sailing instructions shall specify one of these starting systems.

(a) SYSTEM 1

Races shall be started by using the following signals. Times shall be taken from the visual signals; the absence of a sound signal shall be disregarded.

<i>Signal</i>	<i>Flag and sound</i>	<i>Minutes before starting signal</i>
Warning	Class flag; 1 sound	5*
Preparatory	P, I, Z, Z with I, or black flag; 1 sound	4
One-minute	Preparatory flag removed; 1 long sound	1
Starting	Class flag removed; 1 sound	0

*or as stated in the sailing instructions

The warning signal for each succeeding class shall be made with or after the starting signal of the preceding class.

(b) SYSTEM 2

Races shall be started by using the following signals. Times shall be taken from the visual signals; the absence of a sound signal shall be disregarded.

<i>Signal</i>	<i>Flag and sound</i>	<i>Minutes before starting signal</i>
Attention	Class flag or heat number	5
	Attention signal removed	4
Warning	Red flag; 1 sound	3
	Red flag removed	2
Preparatory	Yellow flag; 1 sound	1
	Yellow flag removed	1/2
Starting	Green flag; 1 sound	0

(c) SYSTEM 3 (FOR BEACH STARTS)

- (1) Before her start each board in a heat or class shall draw a number for her station on the starting line. The stations shall be numbered so that station 1 is the most windward one.
- (2) After boards have been called to take their positions, the race committee shall make the preparatory signal by displaying a red flag with one sound. The starting signal shall be made, at any time after the preparatory signal, by removing the red flag with one sound.
- (3) After the starting signal each board shall take the shortest route from her starting station to her windsurfing position in the water (with both of the competitor's feet on the board).

26.2 Starting and Ending Heats for Expression Competition

B4.2 Heats shall be started and ended by using the following signals:

(a) STARTING A HEAT

Each flag shall be removed when the next flag is displayed.

<i>Signal</i>	<i>Flag and sound</i>	<i>Minutes before starting signal</i>
Attention	Heat number	3
Warning	Red flag; 1 sound	2
Preparatory	Yellow flag; 1 sound	1
Starting	Green flag; 1 sound	0

(b) ENDING A HEAT

<i>Signal</i>	<i>Flag and sound</i>	<i>Minutes before ending signal</i>
End warning	Green flag removed; 1 sound	1
Ending	Red flag; 1 sound	0

26.3 Starting System for Speed Competition

B6.2 Rounds shall be started and ended by using the following signals. Each flag shall be removed when the next flag is displayed.

(a) STARTING A ROUND

<i>Signal</i>	<i>Flag</i>	<i>Meaning</i>
Stand-by	Red flag	Course closed
Course closed	AP and red flag	Course closed; will open shortly
Preparatory	Yellow flag	Course will open in 5 minutes
Starting	Green flag	Course is open

(b) ENDING A ROUND

<i>Signal</i>	<i>Flag</i>	<i>Meaning</i>
End warning	Green and yellow flag	Course will be closed in 5 minutes
Extension	Green flag and L	Current round extended by 15 minutes
Round ended	Red flag and L	A new round will be started shortly

27 OTHER RACE COMMITTEE ACTIONS BEFORE THE STARTING SIGNAL

27.1 No later than the warning signal, the race committee shall signal or otherwise designate the course to be sailed if the sailing instructions have not stated the course, and it may replace one course signal

with another and signal that wearing personal buoyancy is required (display flag Y with one sound).

27.2 No later than the preparatory signal, the race committee may move a starting *mark* and may apply rule 30.

27.3 Before the starting signal, the race committee may for any reason *postpone* (display flag AP, AP over H, or AP over A, with two sounds) or *abandon* the race (display flag N over H, or N over A, with three sounds).

28 SAILING THE COURSE

28.1 A board shall *start*, leave each *mark* on the required side in the correct order, and *finish*, so that a string representing her wake after *starting* and until *finishing* would when drawn taut pass each *mark* on the required side and touch each rounding *mark*. She may correct any errors to comply with this rule. After *finishing* she need not cross the finishing line completely.

28.2 A board may leave on either side a *mark* that does not begin, bound or end the leg she is on. However, she shall leave a starting *mark* on the required side when she is approaching the starting line from its pre-start side to *start*.

29 RECALLS

29.1 Individual Recall

When at a board's starting signal any part of her hull, crew or equipment is on the course side of the starting line or she must comply with rule 30.1, the race committee shall promptly display flag X with one sound. The flag shall be displayed until all such boards are completely on the pre-start side of the starting line or its extensions and have complied with rule 30.1 if it applies, but not later than four minutes after the starting signal or one minute before any later starting signal, whichever is earlier.

29.2 General Recall

When at the starting signal the race committee is unable to identify boards that are on the course side of the starting line or to which rule 30 applies, or there has been an error in the starting procedure, the race committee may signal a general recall (display the First Substitute with two sounds). The warning signal for a new start for

the recalled class shall be made one minute after the First Substitute is removed (one sound), and the starts for any succeeding classes shall follow the new start.

29.3 Recall for a Slalom Race

- B3.3** (a) When at a board's starting signal for a slalom race or heat any part of her hull, crew or equipment is on the course side of the starting line, the race committee shall signal a general recall.
- (b) If the race committee acts under rule 29.3(a) and the board is identified, she shall be disqualified without a hearing, even if the race or heat is *postponed* or *abandoned*. The race committee shall hail or display her sail number, and she shall leave the course area immediately. If the race or heat is restarted or resailed, she shall not sail in it.

30 STARTING PENALTIES

30.1 Round-an-End Rule

If flag I has been displayed, and any part of a board's hull, crew or equipment is on the course side of the starting line or its extensions during the minute before her starting signal, she shall thereafter sail from the course side across an extension to the pre-start side before *starting*.

30.2 20% Penalty Rule

If flag Z has been displayed, no part of a board's hull, crew or equipment shall be in the triangle formed by the ends of the starting line and the first *mark* during the minute before her starting signal. If a board breaks this rule and is identified, she shall receive, without a hearing, a 20% scoring penalty calculated as stated in rule 44.3(c). She shall be penalized even if the race is restarted, resailed or rescheduled, but not if it is *postponed* or *abandoned* before the starting signal.

30.3 Black Flag Rule

If a black flag has been displayed, no part of a board's hull, crew or equipment shall be in the triangle formed by the ends of the starting line and the first *mark* during the minute before her starting signal. If a board breaks this rule and is identified, she shall be disqualified without a hearing, even if the race is restarted, resailed or rescheduled, but not if it is *postponed* or *abandoned* before the starting

signal. If a general recall is signalled or the race is *abandoned* after the starting signal, the race committee shall display her sail number before the next warning signal for that race, and if the race is restarted or resailed she shall not sail in it. If she does so, her disqualification shall not be excluded in calculating her series score. If this rule applies rule 29.1 does not.

31 TOUCHING A MARK

B3.3 A board may touch a *mark* but shall not hold on to it.

32 SHORTENING OR ABANDONING AFTER THE START

32.1 After the starting signal, the race committee may shorten the course (display flag S with two sounds) or *abandon* the race (display flag N, N over H, or N over A, with three sounds), as appropriate,

- (a) because of an error in the starting procedure,
- (b) because of foul weather,
- (c) because of insufficient wind making it unlikely that any board will *finish* within the time limit,
- (d) because a *mark* is missing or out of position, or
- (e) for any other reason directly affecting the safety or fairness of the competition,

or may shorten the course so that other scheduled races can be sailed. However, after one board has sailed the course and *finished* within the time limit, if any, the race committee shall not *abandon* the race without considering the consequences for all boards in the race or series.

32.2 If the race committee signals a shortened course (displays flag S with two sounds), the finishing line shall be,

- (a) at a rounding *mark*, between the *mark* and a staff displaying flag S;
- (b) at a line boards are required to cross at the end of each lap, that line;
- (c) at a gate, between the gate *marks*.

33 CHANGING THE NEXT LEG OF THE COURSE

The race committee may change a leg of the course that begins at a rounding *mark* by changing the position of the next *mark* (or the finishing line) and signalling all boards before they begin the leg. The next *mark* need not be in position at that time.

- (a) If the direction of the leg will be changed, the signal shall be the display of flag C with repetitive sounds and either
 - (1) the new compass bearing or
 - (2) a green triangular flag or board for a change to starboard or a red rectangular flag or board for a change to port.
- (b) If the length of the leg will be changed, the signal shall be the display of flag C with repetitive sounds and a ‘-’ if the leg will be shortened or a ‘+’ if the leg will be lengthened.
- (c) Subsequent legs may be changed without further signalling to maintain the course shape.

34 MARK MISSING

If a *mark* is missing or out of position, the race committee shall, if possible,

- (a) replace it in its correct position or substitute a new one of similar appearance, or
- (b) substitute an object displaying flag M and make repetitive sound signals.

35 TIME LIMIT AND SCORES

If one board sails the course as required by rule 28.1 and *finishes* within the time limit, if any, all boards that *finish* shall be scored according to their finishing places unless the race is *abandoned*. If no board *finishes* within the time limit, the race committee shall *abandon* the race.

36 RACES RESTARTED OR RESAILED

If a race is restarted or resailed, a breach of a *rule*, other than rule 30.3, in the original race shall not prohibit a board from competing or, except under rule 30.2, 30.3 or 69, cause her to be penalized.

37 **EXPRESSION COMPETITION – REGISTRATION OF**
B4.3 **SAILS; COURSE AREA; HEAT DURATION**

- 37.1** Boards shall register with the race committee the colours and other particulars of their sails, or their identification according to another method stated in the sailing instructions, no later than the starting signal for the heat two heats before their own.
- 37.2** The course area shall be defined in the sailing instructions and posted on the official notice board not later than 30 minutes before the starting signal for the first heat. A board shall be scored only while sailing in the course area.
- 37.3** Any change in heat duration shall be announced by the race committee not later than fifteen minutes before the starting signal for the first heat in the next round.

38 **ELIMINATION SERIES FOR SLALOM RACING AND**
B5 **EXPRESSION COMPETITION**

Rules 38.1–38.5 apply to slalom racing or expression competition organized by using elimination series in which boards compete in heats.

38.1 **Elimination Series Procedure**

- B5.1** (a) Competition shall take the form of one or more elimination series. Each of them shall consist of either a maximum of four rounds in a single elimination series where only a number of the best scorers advance, or a maximum of ten rounds in a double elimination series where boards have more than one opportunity to advance.

38.4 Advancement and Byes

- B5.4**

However, if she caused injury or serious damage or gained a significant advantage in the race or series by her breach her penalty shall be to retire.

44.2 Turn Penalty

B2.1 After getting well clear of other boards as soon after the incident as possible, a board takes a Turn Penalty by promptly making one 360° turn. When a board takes the penalty at or near the finishing line, she shall sail completely to the course side of the line before *finishing*.

When the sailing instructions do not state the number of places, the number shall be the whole number (rounding 0.5 upward) nearest to 20% of the number of boards entered. The scores of other boards shall not be changed; therefore, two boards may receive the same score.

44.4 Limits on Penalties

PART 5

PROTESTS, REDRESS, HEARINGS, MISCONDUCT AND APPEALS

SECTION A

PROTESTS; REDRESS; RULE 69 ACTION

60 RIGHT TO PROTEST; RIGHT TO REQUEST REDRESS OR RULE 69 ACTION

60.1 A board may

- (a) protest another board, but not for an alleged breach of a rule of Part 2 unless she was involved in or saw the incident; or
- (b) request redress.

60.2 A race committee may

- (a) protest a board, but not as a result of a report from an *interested party* or information in an invalid *protest* or in a request for redress;
- (b) request redress for a board; or
- (c) report to the protest committee requesting action under rule 69.1(a).

60.3 A protest committee may

- (a) protest a board, but not as a result of a report from an *interested party* or information in an invalid *protest* or in a request for redress. However, it may protest a board
 - (1) if it learns of an incident involving her that may have resulted in injury or serious damage, or
 - (2) if during the hearing of a valid *protest* it learns that the board, although not a *party* to the hearing, was involved in the incident and may have broken a *rule*;
- (b) call a hearing to consider redress; or
- (c) act under rule 69.1(a).

61 PROTEST REQUIREMENTS

61.1 Informing the Protestee

- B7.1** (a) A board intending to protest shall inform the other board at the first reasonable opportunity. When her *protest* concerns an incident in the racing area that she is involved in or sees, she shall hail ‘Protest’. She shall inform the race committee of her intention to protest immediately after she *finishes* or retires. However,
- (1) if the other board is beyond hailing distance, the protesting board need not hail but she shall inform the other board at the first reasonable opportunity;
 - (2) Not applicable to windsurfing.
 - (3) if the incident results in damage or injury that is obvious to the boards involved and one of them intends to protest, the requirements of this rule do not apply to her, but she shall attempt to inform the other board within the time limit of rule 61.3.
- (b) A race committee or protest committee intending to protest a board shall inform her as soon as reasonably possible. However, if the *protest* arises from an incident the committee observes in the racing area, it shall inform the board after the race within the time limit of rule 61.3.
- (c) If the protest committee decides to protest a board under rule 60.3(a)(2), it shall inform her as soon as reasonably possible, close the current hearing, proceed as required by rules 61.2 and 63, and hear the original and the new *protests* together.

61.2 Protest Contents

- B7.1** (a) COURSE AND MARATHON RACING
A *protest* shall be in writing and identify
- (a) the protestor and protestee;
 - (b) the incident, including where and when it occurred;
 - (c) any *rule* the protestor believes was broken; and
 - (d) the name of the protestor’s representative.

However, if requirement (b) is met, requirement (a) may be met at any time before the hearing, and requirements (c) and (d) may be met before or during the hearing.

(b) SLALOM RACING AND OTHER DISCIPLINES

A *protest* shall be made orally immediately following the heat in which the incident occurred.

61.3 Protest Time Limit

A *protest* by a board, or by the race committee or protest committee about an incident the committee observes in the racing area, shall be delivered to the race office no later than the time limit stated in the sailing instructions. If none is stated, the time limit is two hours after the last board in the race *finishes*. Other race committee or protest committee *protests* shall be delivered to the race office within two hours after the committee receives the relevant information. The protest committee shall extend the time if there is good reason to do so.

62 REDRESS

62.1 A request for redress or a protest committee's decision to consider redress shall be based on a claim or possibility that a board's score in a race or series has, through no fault of her own, been made significantly worse by

- (a) an improper action or omission of the race committee, protest committee or organizing authority;
- (b) injury or physical damage because of the action of a board that was breaking a rule of Part 2 or of a vessel not *racing* that was required to keep clear;
- (c) giving help (except to herself or her crew) in compliance with rule 1.1;
- (d) a board against which a penalty has been imposed under rule 2 or disciplinary action has been taken under rule 69.1(b); or
- (e) a board that failed to *keep clear* and retired or was penalized.

B7.2

62.2 The request shall be made in writing, except in an elimination series, within the time limit of rule 61.3 or within two hours of the relevant incident, whichever is later. The protest committee shall extend the time if there is good reason to do so. No red flag is required.

B7.3

SECTION B

HEARINGS AND DECISIONS

63 HEARINGS

63.1 Requirement for a Hearing

A board or competitor shall not be penalized without a protest hearing, except as provided in rules 30.2, 30.3, 67, 69, A5 and P2. A decision on redress shall not be made without a hearing. The protest committee shall hear all *protests* and requests for redress that have been delivered to the race office unless it allows a *protest* or request to be withdrawn.

63.2 Time and Place of the Hearing; Time for Parties to Prepare

B7.4 (a) All *parties* to the hearing shall be notified of the time and place of the hearing, the *protest* or redress information shall be made available to them, and they shall be allowed reasonable time to prepare for the hearing.

(b) In an elimination series, the protest committee may hear a *protest* on the beach or water immediately after the heat.

63.3 Right to Be Present

(a) The *parties* to the hearing, or a representative of each, have the right to be present throughout the hearing of all the evidence. When a *protest* claims a breach of a rule of Part 2, 3 or 4, the representatives of boards shall have been on board at the time of the incident, unless there is good reason for the protest committee to rule otherwise. Any witness, other than a member of the protest committee, shall be excluded except when giving evidence.

(b) If a *party* to the hearing does not come to the hearing, the protest committee may nevertheless decide the *protest* or request for redress. If the *party* was unavoidably absent, the committee may reopen the hearing.

63.4 Interested Party

A member of a protest committee who is an *interested party* shall not take any further part in the hearing but may appear as a witness. A *party* to the hearing who believes a member of the protest committee is an *interested party* shall object as soon as possible.

63.5 Validity of the Protest or Request for Redress

At the beginning of the hearing the protest committee shall decide whether all requirements for the *protest* or request for redress have been met, after first taking any evidence it considers necessary. If all requirements have been met, the *protest* or request is valid and the hearing shall be continued. If not, it shall be closed. If the *protest* has been made under rule 60.3(a)(1), the protest committee shall also determine whether or not injury or serious damage resulted from the incident in question. If not, the hearing shall be closed.

63.6 Taking Evidence and Finding Facts

The protest committee shall take the evidence of the *parties* to the hearing and of their witnesses and other evidence it considers necessary. A member of the protest committee who saw the incident may give evidence. A *party* to the hearing may question any person who gives evidence. The committee shall then find the facts and base its decision on them.

63.7 Conflict between Rules

If there is a conflict between a *rule* in the notice of race and one in the sailing instructions that must be resolved before the protest committee can decide a *protest* or request for redress, the committee shall apply the *rule* that it believes will provide the fairest result for all boards affected.

63.8 Protests between Boards in Different Races

A *protest* between boards sailing in different races conducted by different organizing authorities shall be heard by a protest committee acceptable to those authorities.

64 DECISIONS

64.1 Penalties and Exoneration

- (a) When the protest committee decides that a board that is a *party* to a protest hearing has broken a *rule*, it shall disqualify her unless some other penalty applies. A penalty shall be imposed whether or not the applicable *rule* was mentioned in the *protest*.

- (b) When as a consequence of breaking a *rule* a board has compelled another board to break a *rule*, rule 64.1(a) does not apply to the other board and she shall be exonerated.
- (c) If a board has broken a *rule* when not *racing*, her penalty shall apply to the race sailed nearest in time to that of the incident.

64.2 Decisions on Redress

When the protest committee decides that a board is entitled to redress under rule 62, it shall make as fair an arrangement as possible for all boards affected, whether or not they asked for redress. This may be to adjust the scoring (see rule A10 for some examples) or finishing times of boards, to *abandon* the race, to let the results stand or to make some other arrangement. When in doubt about the facts or probable results of any arrangement for the race or series, especially before *abandoning* the race, the protest committee shall take evidence from appropriate sources.

64.3 Decisions on Measurement Protests

- (a) When the protest committee finds that deviations in excess of tolerances specified in the class rules were caused by damage or normal wear and do not improve the performance of the board, it shall not penalize her. However, the board shall not *race* again until the deviations have been corrected, except when the protest committee decides there is or has been no reasonable opportunity to do so.
- (b) When the protest committee is in doubt about the meaning of a measurement rule, it shall refer its questions, together with the relevant facts, to an authority responsible for interpreting the rule. In making its decision, the committee shall be bound by the reply of the authority.
- (c) When a board disqualified under a measurement rule states in writing that she intends to appeal, she may compete in subsequent races without changes to the board, but shall be disqualified if she fails to appeal or the appeal is decided against her.
- (d) Measurement costs arising from a *protest* involving a measurement rule shall be paid by the unsuccessful *party* unless the protest committee decides otherwise.

65 INFORMING THE PARTIES AND OTHERS

65.1 After making its decision, the protest committee shall promptly inform the *parties* to the hearing of the facts found, the applicable *rules*, the decision, the reasons for it, and any penalties imposed or redress given.

65.2 Except in an elimination series, a *party* to the hearing is entitled to receive the above information in writing, provided she asks for it in writing from the protest committee within seven days of being informed of the decision. The committee shall then promptly provide the information, including, when relevant, a diagram of the incident prepared or endorsed by the committee.

65.3 When the protest committee penalizes a board under a measurement rule, it shall send the above information to the relevant measurement authorities.

66 REOPENING A HEARING

The protest committee may reopen a hearing when it decides that it may have made a significant error, or when significant new evidence becomes available within a reasonable time. It shall reopen a hearing when required by the national authority under rule F5. A *party* to the hearing may ask for a reopening no later than 24 hours after being informed of the decision. When a hearing is reopened, a majority of the members of the protest committee shall, if possible, be members of the original protest committee.

67 Deleted.

B7.6

68 DAMAGES

The question of damages arising from a breach of any *rule* shall be governed by the prescriptions, if any, of the national authority.

SECTION C

GROSS MISCONDUCT

69 ALLEGATIONS OF GROSS MISCONDUCT

69.1 Action by a Protest Committee

- (a) When a protest committee, from its own observation or a report received from any source, believes that a competitor may have committed a gross breach of a *rule*, good manners or sportsmanship, or may have brought the sport into disrepute, it may call a hearing. The protest committee shall promptly inform the competitor in writing of the alleged misconduct and of the time and place of the hearing.
- (b) A protest committee of at least three members shall conduct the hearing, following rules 63.2, 63.3, 63.4 and 63.6. If it decides that the competitor committed the alleged misconduct it shall either
 - (1) warn the competitor or
 - (2) impose a penalty by excluding the competitor and, when appropriate, disqualifying a board, from a race or the remaining races or all races of the series, or by taking other action within its jurisdiction. A disqualification under this rule shall not be excluded from the board's series score.
- (c) The protest committee shall promptly report a penalty, but not a warning, to the national authorities of the venue, of the competitor and of the board owner.
- (d) If there is good reason for the competitor not to attend the hearing, the protest committee shall postpone it. However, if the competitor has left the event and as a result cannot reasonably be expected to attend a hearing, the protest committee shall not conduct one. Instead, it shall collect all available information and, if the allegation seems justified, make a report to the relevant national authorities.
- (e) When the protest committee has left the event and a report alleging misconduct is received, the race committee or organizing authority may appoint a new protest committee to proceed under this rule.

69.2 Action by a National Authority

- (a) When a national authority receives a report required by rule 69.1(c) or 69.1(d), a report alleging a gross breach of a *rule*, good manners or sportsmanship, or a report alleging conduct that has brought the sport into disrepute, it may conduct an investigation and, when appropriate, shall conduct a hearing. It may then take any disciplinary action within its jurisdiction it considers appropriate against the competitor or board, or other person involved, including suspending eligibility, permanently or for a specified period of time, to compete in any event held within its jurisdiction, and suspending ISAF eligibility under ISAF Regulation 19.
- (b) The national authority of a competitor shall also suspend the ISAF eligibility of the competitor as required in ISAF Regulation 19.
- (c) The national authority shall promptly report a suspension of eligibility under rule 69.2(a) to the ISAF, and to the national authorities of the person or the owner of the board suspended if they are not members of the suspending national authority.

69.3 Action by the ISAF

Upon receipt of a report required by rule 69.2(c) or ISAF Regulation 19, the ISAF shall inform all national authorities, which may also suspend eligibility for events held within their jurisdiction. The ISAF Executive Committee shall suspend the competitor's ISAF eligibility as required in ISAF Regulation 19 if the competitor's national authority does not do so.

SECTION D APPEALS

70 APPEALS; CONFIRMATION OR CORRECTION OF DECISIONS; RULE INTERPRETATIONS

- 70.1** Provided that the right of appeal has not been denied under rule 70.4, a *party* to a hearing may appeal a protest committee's decision or its procedures, but not the facts found, to the national authority of the venue.

- 70.2** A protest committee may request confirmation or correction of its decision.
- 70.3** A club or other organization affiliated to a national authority may request an interpretation of the *rules*, provided that no *protest* or request for redress that may be appealed is involved. The interpretation shall not be used for changing a previous protest committee decision.
- 70.4** There shall be no appeal from the decisions of an international jury constituted in compliance with Appendix N. Furthermore, if the notice of race and the sailing instructions so state, the right of appeal may be denied provided that
- (a) it is essential to determine promptly the result of a race that will qualify a board to compete in a later stage of an event or a subsequent event (a national authority may prescribe that its approval is required for such a procedure);
 - (b) a national authority so approves for a particular event open only to entrants under its own jurisdiction; or
 - (c) a national authority after consultation with the ISAF so approves for a particular event, provided the protest committee is constituted as required by Appendix N, except that only two members of the protest committee need be International Judges.
- 70.5** Appeals and requests shall conform to Appendix F.
- 70.6** Appeals are not permitted in slalom racing and expression competition.
- B7.7**

71 APPEAL DECISIONS

- 71.1** No *interested party* or member of the protest committee shall take any part in the discussion or decision on an appeal or a request for confirmation or correction.
- 71.2** The national authority may uphold, change or reverse the protest committee's decision; declare the *protest* or request for redress invalid; or return the *protest* or request for the hearing to be reopened, or for a new hearing and decision by the same or a different protest committee.

- 71.3** When from the facts found by the protest committee the national authority decides that a board that was a *party* to a protest hearing broke a *rule*, it shall penalize her, whether or not that board or that *rule* was mentioned in the protest committee's decision.
- 71.4** The decision of the national authority shall be final. The national authority shall send its decision in writing to all *parties* to the hearing and the protest committee, who shall be bound by the decision.

PART 6

ENTRY AND QUALIFICATION

75 ENTERING A RACE

75.1 To enter a race, a board shall comply with the requirements of the organizing authority of the race. She shall be entered by

- (a) a member of a club or other organization affiliated to an ISAF member national authority,
- (b) such a club or organization, or
- (c) a member of an ISAF member national authority.

75.2 Competitors shall comply with ISAF Regulation 19, Eligibility Code.

76 EXCLUSION OF BOARDS OR COMPETITORS

76.1 The organizing authority or the race committee may reject or cancel the entry of a board or exclude a competitor, subject to rule 76.2, provided it does so before the start of the first race and states the reason for doing so. However, the organizing authority or the race committee shall not reject or cancel the entry of a board or exclude a competitor because of advertising, provided the board or competitor complies with ISAF Regulation 20, Advertising Code.

76.2 At world and continental championships no entry within stated quotas shall be rejected or cancelled without first obtaining the approval of the relevant international class association or the ISAF.

77 IDENTIFICATION ON SAILS

A board shall comply with the requirements of Appendix G governing class insignia, national letters and numbers on sails.

78 COMPLIANCE WITH CLASS RULES; CERTIFICATES

78.1
B2.2 A board's owner and any other person in charge shall ensure that the board is maintained to comply with her class rules and that her measurement or rating certificate, if any, remains valid. When so prescribed by the ISAF, a numbered and dated device on a board and her centreboard, fin and rig shall serve as her measurement certificate.

78.2 When a *rule* requires a certificate to be produced before a board *aces*, and it is not produced, the board may *ace* provided that the race committee receives a statement signed by the person in charge that a valid certificate exists and that it will be given to the race committee before the end of the event. If the certificate is not received in time, the board shall be disqualified from all races of the event.

78.3 When a measurer for an event decides that a board or personal equipment does not comply with the class rules, he shall report the matter in writing to the race committee, which shall protest the board.

79 ADVERTISING

A board and her crew shall comply with ISAF Regulation 20, Advertising Code.

80 RESCHEDULED RACES

When a race has been rescheduled, rule 36 applies and all boards entered in the original race shall be notified and, unless disqualified under rule 30.3, be entitled to sail the rescheduled race. New entries that meet the entry requirements of the original race may be accepted at the discretion of the race committee.

PART 7

RACE ORGANIZATION

85 GOVERNING RULES

The organizing authority, race committee and protest committee shall be governed by the *rules* in the conduct and judging of races.

86 CHANGES TO THE RACING RULES

86.1 A racing rule shall not be changed unless permitted in the rule itself or as follows:

- (a) Prescriptions of a national authority may change a racing rule, but not the Definitions; a rule in the Introduction; Sportsmanship and the Rules; Part 1, 2 or 7; rule 42, 43.1, 43.2, 69, 70, 71, 75, 76.2 or 79; a rule of an appendix that changes one of these rules; Appendix H or N; or ISAF Regulation 19, 20 or 21.
- (b) Sailing instructions may change a racing rule by referring specifically to it and stating the change, but not rule 76.1, Appendix F, or a rule listed in rule 86.1(a).
- (c) Class rules may change only racing rules 42, 49, 50, 51, 52, 53 and 54.

86.2 In exception to rule 86.1, the ISAF may in limited circumstances (see ISAF Regulation 31.1.3) authorize changes to the racing rules for a specific international event. The authorization shall be stated in a letter of approval to the event organizing authority and in the notice of race and sailing instructions, and the letter shall be posted on the event's official notice board.

86.3 If a national authority so prescribes, these restrictions do not apply if rules are changed to develop or test proposed rules. The national authority may prescribe that its approval is required for such changes.

87 CHANGES TO NATIONAL AUTHORITY PRESCRIPTIONS

A national authority may restrict changes to its prescriptions with a prescription to this rule. If it does so, that prescription shall not be changed or deleted by sailing instructions.

88 ORGANIZING AUTHORITY; NOTICE OF RACE; APPOINTMENT OF RACE OFFICIALS

88.1 Organizing Authority

Races shall be organized by an organizing authority, which shall be

- (a) the ISAF;
- (b) a member national authority of the ISAF;

- (d) a class association, either with the approval of a national authority or in conjunction with an affiliated club;
- (e) an unaffiliated body in conjunction with an affiliated club where the body is owned and controlled by the club. The national authority of the club may prescribe that its approval is required for such an event; or
- (f) if approved by the ISAF and the national authority of the club, an unaffiliated body in conjunction with an affiliated club where the body is not owned and controlled by the club.

88.2 Notice of Race; Appointment of Race Officials

- (a) The organizing authority shall publish a notice of race that conforms to rule J1. The notice of race may be changed provided adequate notice is given.
- (b) The organizing authority shall appoint a race committee and, when appropriate, appoint a protest committee and umpires. However, the race committee, an international jury and umpires may be appointed by the ISAF as provided in the ISAF regulations.

89 RACE COMMITTEE; SAILING INSTRUCTIONS; SCORING

89.1 Race Committee

The race committee shall conduct races as directed by the organizing authority and as required by the *rules*.

89.2 Sailing Instructions

- (a) The race committee shall publish written sailing instructions that conform to rule J2.

- (b) The sailing instructions for an international event shall include, in English, the applicable prescriptions of the national authority.
- (c) Changes to the sailing instructions shall be in writing and **B2.3** posted within the required time on the official notice board or, on the water, communicated to each board before her warning signal.
- (d) Oral instructions may be given only if the procedure is stated in **B2.3** the sailing instructions.

89.3 Scoring

- B8.3** (a) The race committee shall score a race or series as provided in Appendix A using the Low Point System, unless the sailing instructions specify the Alternative System or some other system. A race shall be scored if it is not *abandoned* and if one board sails the course in compliance with rule 28.1 and *finishes* within the time limit, if any, even if she retires after *finishing* or is disqualified.
- (b) When a scoring system provides for excluding one or more race scores from a board's series score, the score for disqualification under rule 2; rule 30.3's next-to-last sentence; rule 42 if rule 67, P2.2 or P2.3 applies; or rule 69.1(b)(2) shall not be excluded. The next-worse score shall be excluded instead.

90 PROTEST COMMITTEE

A protest committee shall be

- (a) a committee appointed by the organizing authority or race committee, or
- (b) an international jury appointed by the organizing authority or as prescribed in the ISAF regulations and meeting the requirements of Appendix N. A national authority may prescribe that its approval is required for the appointment of international juries for races within its jurisdiction, except ISAF events or when international juries are appointed by the ISAF under rule 88.2(b).

APPENDIX A

SCORING

See rule 89.3.

A1 NUMBER OF COURSE RACES

The number of course races scheduled and the number required to be completed to constitute a series shall be stated in the sailing instructions.

A2 OVERALL AND SERIES SCORES

A2.1 Overall Scores

B8.1 If an event includes more than one discipline or format the sailing instructions shall state how the overall score is to be calculated.

A2.2 Series Scores

B8.2 Each board's series score shall be the total of her race, elimination series or speed round scores with the number of her worst scores excluded as follows:

<i>Course races, speed rounds</i>	<i>Slalom and expression elimination series</i>	<i>Number excluded</i>
1–3	1–2	0
4–6	3–4	1
7–10	5–7	2
11–15	8 or more	3
16 or more		4

If a board has two or more equal worst scores, the score(s) for the race(s) sailed earliest in the series shall be excluded. The board with the lowest series score wins and others shall be ranked accordingly. Rules A4.4, A4.5 and A4.6 contain exceptions to this rule.

A3 STARTING TIMES AND FINISHING PLACES

The time of a board's starting signal shall be her starting time, and the order in which boards *finish* a race shall determine their finishing

places. However, when a handicap or rating system is used a board's corrected time shall determine her finishing place.

A4 LOW POINT AND ALTERNATIVE SYSTEMS

A4.1 Each board *starting* and *finishing* and not thereafter retiring, being
B8.3 penalized or given redress shall be scored points as follows:

<i>Finishing place</i>	<i>Low Point System</i>	<i>Alternative System</i>
First	1	0.7
Second	2	2
Third	3	3
Each place thereafter	Add 1 point	Add 1 point

A4.2 A board that did not *start*, did not *finish*, retired after *finishing* or was
B8.3 disqualified shall be scored points for the finishing place one more than the number of boards entered in the series or, in an elimination series, the number of boards in that heat. A board penalized under rule 30.2 shall be scored points as provided in rule 44.3(c).

A4.3 Uncompleted Heat

B8.4 When a heat cannot be completed, the points for the unscored places shall be added together and divided by the number of places in that heat. The resulting number of points, to the nearest tenth of a point (0.05 to be rounded upward), shall be given to each board entered in the heat.

A4.4 Scoring a Final Series in Slalom Racing

- B8.5** (a) If three final races are completed, a board's series score in the final shall be the total of her race scores excluding her worst score. Otherwise her series score shall be the total of her race scores.
- (b) A board that did not *start*, did not *finish*, retired after *finishing* or was disqualified from a final race shall be scored points equal to the total number of boards entered in the final.

A4.5 Expression Competition Scoring

B8.6 (a) Expression competition shall be scored by a panel of three judges. However, the panel may have a greater odd number of

members, and there may be two such panels. Each judge shall give points for each manoeuvre based on the scale stated in the sailing instructions.

- (b) The criteria of scoring shall be decided by the race committee and announced on the official notice board not later than 30 minutes before the starting signal for the first heat.
- (c) A board's heat standing shall be determined by adding together the points given by each judge. The board with the highest score wins and others shall be ranked accordingly.
- (d) Both semifinal heats shall have been sailed for an elimination series to be valid.
- (e) Except for members of the race committee responsible for scoring the event, only competitors in the heat shall be allowed to see judges' score sheets for the heat. Each score sheet shall bear the full name of the judge.
- (f) Scoring decisions of the judges shall not be grounds for a request for redress by a board.

A4.6 Speed Competition

B8.7 The speeds of a board's fastest two runs in a round shall be averaged to determine her standing in that round. The board with the highest average wins and others shall be ranked accordingly.

A5 SCORES DETERMINED BY THE RACE COMMITTEE

B2.1 A board that did not *start*, comply with rule 30.2 or 30.3, or *finish*, or retires after *finishing*, shall be scored accordingly by the race committee without a hearing. Only the protest committee may take other scoring actions that worsen a board's score.

A6 CHANGES IN PLACES AND SCORES OF OTHER BOARDS

A6.1 If a board is disqualified from a race or retires after *finishing*, each board with a worse finishing place shall be moved up one place.

A6.2 If the protest committee decides to give redress by adjusting a board's score, the scores of other boards shall not be changed unless the protest committee decides otherwise.

A7 RACE TIES

If boards are tied at the finishing line or if a handicap or rating system is used and boards have equal corrected times, the points for the place for which the boards have tied and for the place(s) immediately below shall be added together and divided equally. Boards tied for a race prize shall share it or be given equal prizes.

A8 SERIES TIES

B8.8

A8.1 Racing and Speed Competition

- (a) If there is a series score tie between two or more boards, it shall be broken in favour of the board(s) with the best single excluded race score(s).
- (b) If a tie remains between two or more boards, each board's race scores shall be listed in order of best to worst, and at the first point(s) where there is a difference the tie shall be broken in favour of the board(s) with the best score(s). These scores shall be used even if some of them are excluded scores.
- (c) If a tie still remains between two or more boards, they shall be ranked in order of their scores in the last race. Any remaining ties shall be broken by using the tied boards' scores in the next-to-last race and so on until all ties are broken. These scores shall be used even if some of them are excluded scores.

A8.2 Expression Competition

- (a) In a heat, if there is a tie in the total points given by one or more judges, it shall be broken in favour of the board with the higher single score in the priority category. If the categories are weighted equally, in wave performance competition the tie shall be broken in favour of the board with the higher single score in wave riding, and in freestyle competition in favour of the board with the higher score for overall impression. If a tie remains, in wave performance competition it shall be broken in favour of the board with the higher single score in the category without priority, and in freestyle competition it shall stand as the final result.
- (b) If there is a tie in the series score, it shall be broken in favour of the board that scored better more times than the other

board. All scores shall be used even if some of them are excluded scores.

- (c) If a tie still remains, the heat shall be resailed. If this is not possible, the tie shall stand as the final result.

A9 RACE SCORES IN A SERIES LONGER THAN A REGATTA

For a series that is held over a period of time longer than a regatta, a board that came to the starting area but did not *start*, did not *finish*, retired after *finishing* or was disqualified shall be scored points for the finishing place one more than the number of boards that came to the starting area. A board that did not come to the starting area shall be scored points for the finishing place one more than the number of boards entered in the series.

A10 GUIDANCE ON REDRESS

If the protest committee decides to give redress by adjusting a board's score for a race, it is advised to consider scoring her

- (a) points equal to the average, to the nearest tenth of a point (0.05 to be rounded upward), of her points in all the races in the series except the race in question;
- (b) points equal to the average, to the nearest tenth of a point (0.05 to be rounded upward), of her points in all the races before the race in question; or
- (c) points based on the position of the board in the race at the time of the incident that justified redress.

APPENDIX H

WEIGHING CLOTHING AND EQUIPMENT

See rule 43. This appendix shall not be changed by sailing instructions or prescriptions of national authorities.

- H1** Items of clothing and equipment to be weighed shall be arranged on a rack. After being saturated in water the items shall be allowed to drain freely for one minute before being weighed. The rack must allow the items to hang as they would hang from clothes hangers, so as to allow the water to drain freely. Pockets that have drain-holes that cannot be closed shall be empty, but pockets or items that can hold water shall be full.
- H2** When the weight recorded exceeds the amount permitted, the competitor may rearrange the items on the rack and the measurer shall again soak and weigh them. This procedure may be repeated a second time if the weight still exceeds the amount permitted.
- H3** A competitor wearing a dry-suit may choose an alternative means of weighing the items.
- (a) The dry-suit and items of clothing and equipment that are worn outside the dry-suit shall be weighed as described above.
 - (b) Clothing worn underneath the dry-suit shall be weighed as worn while *racing*, without draining.
 - (c) The two weights shall be added together.

APPENDIX K

NOTICE OF RACE GUIDE

This guide, adapted for windsurfing, provides a notice of race designed primarily for major championship regattas for one or more classes. It therefore will be particularly useful for world, continental and national championships and other events of similar importance. It can be downloaded from the ISAF website (www.sailing.org) as a basic text for producing a notice of race for any particular event.

The guide can also be useful for other events. However, for such events some of the paragraphs will be unnecessary or undesirable. Organizing authorities should therefore be careful in making their choices.

This guide relates closely to Appendix L, Sailing Instructions Guide, and its extended version Appendix LE on the ISAF website, the introduction to which contains principles that also apply to a notice of race.

To use this guide, first review rule J1 and decide which paragraphs will be needed. Paragraphs that are required by rule J1.1 are marked with an asterisk (). Delete all inapplicable or unnecessary paragraphs. Select the version preferred where there is a choice. Follow the directions in the left margin to fill in the spaces where a solid line (_____) appears and select the preferred wording if a choice or option is shown in brackets ([. . .]).*

After deleting unused paragraphs, renumber all paragraphs in sequential order. Be sure that paragraph numbers are correct where one paragraph refers to another.

The items listed below, when applicable, should be distributed with the notice of race, but should not be included as numbered paragraphs within the notice.

1 An entry form, to be signed by the board's owner or owner's representative, containing words such as 'I agree to be bound by The Racing Rules of Sailing and by all other rules that govern this event.'

APPENDIX L

SAILING INSTRUCTIONS GUIDE

This guide, adapted for windsurfing, provides a set of tested sailing instructions designed primarily for major championship regattas for one or more classes. It therefore will be particularly useful for world, continental and national championships and other events of similar importance. The guide can also be useful for other events; however, for such events some of these instructions will be unnecessary or undesirable. Race officers should therefore be careful in making their choices.

An expanded version of the guide, Appendix LE, is available on the ISAF website (www.sailing.org). It contains provisions applicable to the largest and most complicated multi-class events, as well as variations on several of the sailing instructions recommended in this appendix. It will be revised from time to time, to reflect advances in race management techniques as they develop, and can be downloaded as a basic text for producing the sailing instructions for any particular event. Appendix L can also be downloaded from the ISAF website.

The principles on which all sailing instructions should be based are as follows:

- 1 They should include only two types of statement: the intentions of the race committee and the obligations of competitors.*
- 2 They should be concerned only with racing. Information about social events, assignment of moorings, etc., should be provided separately.*
- 3 They should not change the racing rules except when clearly desirable.*
- 4 They should not repeat or restate any of the racing rules.*
- 5 They should not repeat themselves.*
- 6 They should be in chronological order; that is, the order in which the competitor will use them.*
- 7 They should, when possible, use words or phrases from the racing rules.*

To use this guide, first review rule J2 and decide which instructions will be needed. Instructions that are required by rule J2.1 are marked with an asterisk (). Delete all inapplicable or unnecessary instructions. Select the version preferred where there is a choice. Follow the directions in the left margin to fill in the spaces where a solid line (_____) appears and select the preferred wording if a choice or option is shown in brackets ([. . .]).*

After deleting unused instructions, renumber all instructions in sequential order. Be sure that instruction numbers are correct where one instruction refers to another.

On separate lines, insert the full name of the regatta, the inclusive dates from measurement or the practice race until the final race or closing ceremony, the name of the organizing authority, and the city and country.

- (a) a compass may be tied or taped to the hull or spars;
 - (b) wind indicators, including yarn or thread, may be tied or taped anywhere on the board;
 - (c) hulls, centreboards and rudders may be cleaned, but only with water;
 - (d) adhesive tape may be used anywhere above the water line; and

- 4.4** Competitors shall report any damage or loss of equipment, however slight, to the organizing authority's representative immediately after securing the board ashore. The penalty for breaking this instruction, unless the [protest committee] [jury] is satisfied that the competitor made a determined effort to comply, will be disqualification from the race most recently sailed.
- 4.5** Class rules requiring competitors to be members of the class association will not apply.

APPENDIX M

RECOMMENDATIONS FOR PROTEST COMMITTEES

This appendix is advisory only; in some circumstances changing these procedures may be advisable. It is addressed primarily to protest committee chairmen but may also help judges, jury secretaries, race committees and others connected with protest and redress hearings.

In a protest or redress hearing, the protest committee should weigh all testimony with equal care; should recognize that honest testimony can vary, and even be in conflict, as a result of different observations and recollections; should resolve such differences as best it can; should recognize that no board or competitor is guilty until a breach of a *rule* has been established to the satisfaction of the protest committee; and should keep an open mind until all the evidence has been heard as to whether a board or competitor has broken a *rule*.

M1 PRELIMINARIES (may be performed by race office staff)

- Receive the *protest* or request for redress.
- Note on the form the time the *protest* or request is delivered and the protest time limit.
- Inform each *party*, and the race committee when necessary, when and where the hearing will be held.

M2 BEFORE THE HEARING

Make sure that

- each *party* has a copy of or the opportunity to read the *protest* or request for redress and has had reasonable time to prepare for the hearing.
- no member of the protest committee is an *interested party*. Ask the *parties* whether they object to any member. When redress is requested under rule 62.1(a), a member of the race committee should not be a member of the protest committee.
- only one person from each board (or *party*) is present unless an interpreter is needed.

- all boards and people involved are present. If they are not, however, the committee may proceed under rule 63.3(b).
- boards' representatives were on board when required (rule 63.3(a)). When the *parties* were in different races, both organizing authorities must accept the composition of the protest committee (rule 63.8). In a measurement *protest* obtain the current class rules and identify the authority responsible for interpreting them (rule 64.3(b)).

M3 THE HEARING

M3.1 Check the validity of the *protest* or request for redress.

- Are the contents adequate (rule 61.2 or 62.1)?
- Was it delivered in time? If not, is there good reason to extend the time limit (rule 61.3 or 62.2)?
- When required, was the protestor involved in or a witness to the incident (rule 60.1(a))?
- When necessary, was 'Protest' hailed and, if required, a red flag displayed correctly (rule 61.1(a))?
- When the flag and hail were not necessary was the protestee informed?
- Decide whether the *protest* or request for redress is valid (rule 63.5).
- Once the validity of the *protest* or request has been determined, do not let the subject be introduced again unless truly new evidence is available.

M3.2 Take the evidence (rule 63.6).

- Ask the protestor and then the protestee to tell their stories. Then allow them to question one another. In a redress matter, ask the *party* to state the request.
- Invite questions from protest committee members.
- Make sure you know what facts each *party* is alleging before calling any witnesses. Their stories may be different.
- Allow anyone to give evidence. It is the *party* who normally decides which witnesses to call, although the protest committee may also call witnesses (rule 63.6). The question asked by a

party ‘Would you like to hear N?’ is best answered by ‘It is your choice.’

- Call each *party*’s witnesses (and the protest committee’s if any) one by one. Limit *parties* to questioning the witness(es) (they may wander into general statements).
- Invite the protestee to question the protestor’s witness first (and vice versa). This prevents the protestor from leading his witness from the beginning.
- Allow a member of the protest committee who saw the incident to give evidence (rule 63.6) but only in the presence of the *parties*. The member may be questioned and may remain in the room (rule 63.3(a)).
- Try to prevent leading questions or hearsay evidence, but if that is impossible discount the evidence so obtained.
- Accept written evidence from a witness who is not available to be questioned only if all *parties* agree. In doing so they forego their rights to question that witness (rule 63.6).
- Ask one member of the committee to note down evidence, particularly times, distances, speeds, etc.
- Invite first the protestor and then the protestee to make a final statement of her case, particularly on any application or interpretation of the *rules*.

M3.3 Find the facts (rule 63.6).

- Write down the facts; resolve doubts one way or the other.
- Call back *parties* for more questions if necessary.
- When appropriate, draw a diagram of the incident using the facts you have found.

M3.4 Decide the *protest* or request for redress (rule 64).

- Base the decision on the facts found (if you cannot, find some more facts).
- In redress cases, make sure that no further evidence is needed from boards that will be affected by the decision.

M3.5 Inform the *parties* (rule 65).

- Recall the *parties* and read them the facts found, conclusions and *rules* that apply, and the decision. When time presses it is permissible to read the decision and give the details later.
- Give any *party* a copy of the decision on request. File the *protest* or request for redress with the committee records.

M4 REOPENING A HEARING (rule 66)

When a *party*, within the time limit, has asked for a hearing to be reopened, hear the *party* making the request, look at any video, etc., and decide whether there is any material new evidence that might lead you to change your decision. Decide whether your interpretation of the *rules* may have been wrong; be open-minded as to whether you have made a mistake. If none of these applies refuse to reopen; otherwise schedule a hearing.

M5 GROSS MISCONDUCT (rule 69)

- M5.1** An action under this rule is not a *protest*, but the protest committee gives its allegations in writing to the competitor before the hearing. The hearing is conducted under the same rules as other hearings but the protest committee must have at least three members (rule 69.1(b)). Use the greatest care to protect the competitor's rights.
- M5.2** A competitor or a board cannot protest under rule 69, but the protest form of a competitor who tries to do so may be accepted as a report to the protest committee, which can then decide whether or not to call a hearing.
- M5.3** When it is desirable to call a hearing under rule 69 as a result of a Part 2 incident, it is important to hear any board-vs.-board *protest* in the normal way, deciding which board, if any, broke which *rule*, before proceeding against the competitor under this rule.
- M5.4** Although action under rule 69 is taken against a competitor, not a board, a board may also be penalized (rule 69.1(b)).
- M5.5** The protest committee may warn the competitor (rule 69.1(b)), in which case no report is to be made to national authorities (rule 69.1(c)). When a penalty is imposed and a report is made to national authorities, it may be helpful to recommend whether or not further action should be taken.

M6 APPEALS (rule 70 and Appendix F)

When decisions can be appealed,

- retain the papers relevant to the hearing so that the information can easily be used for an appeal. Is there a diagram endorsed or prepared by the protest committee? Are the facts found sufficient? (Example: Was there an *overlap*? Yes or No. ‘Perhaps’ is not a fact found.) Are the names of the protest committee members and other important information on the form?
- comments by the protest committee on any appeal should enable the appeals committee to picture the whole incident clearly; the appeals committee knows nothing about the situation.

M7 PHOTOGRAPHIC EVIDENCE

Photographs and videotapes can sometimes provide useful evidence but protest committees should recognize their limitations and note the following points:

- The *party* producing the photographic evidence is responsible for arranging the viewing.
- View the tape several times to extract all the information from it.
- The depth perception of any single-lens camera is very poor; with a telephoto lens it is non-existent. When the camera views two *overlapped* boards at right angles to their course, it is impossible to assess the distance between them. When the camera views them head on, it is impossible to see whether an *overlap* exists unless it is substantial.
- Ask the following questions:
 - Where was the camera in relation to the boards?
 - Was the camera’s platform moving? If so in what direction and how fast?
 - Is the angle changing as the boards approach the critical point? Fast panning causes radical change.
 - Did the camera have an unrestricted view throughout?

APPENDIX N

INTERNATIONAL JURIES

See rules 70.4 and 90(b). This appendix shall not be changed by sailing instructions or prescriptions of national authorities.

N1 COMPOSITION, APPOINTMENT AND ORGANIZATION

- N1.1** An international jury shall be composed of experienced sailors with excellent knowledge of the racing rules and extensive protest committee experience. It shall be independent of and have no members from the race committee, and be appointed by the organizing authority, subject to approval by the national authority if required (see rule 90(b)), or by the ISAF under rule 88.2(b).
- N1.2** The jury shall consist of a chairman, a vice chairman if desired, and other members for a total of at least five. A majority shall be International Judges. The jury may appoint a secretary, who shall not be a member of the jury.
- N1.3** No more than two members (three, in Groups M, N and Q) shall be from the same national authority.
- N1.4** (a) A jury of ten or more members may divide itself into two or more panels of at least five members each, of which the majority shall be International Judges. If this is done, the requirements for membership of a full jury shall apply to each panel but not to the jury as a whole.
- (b) A jury of fewer than ten members may divide itself into two or three panels of at least three members each, of which the majority shall be International Judges. Members of each panel shall be from at least three different national authorities except in Groups M, N and Q, where they shall be from at least two different national authorities. If dissatisfied with a panel's decision, a *party* is entitled to a hearing by a jury composed in compliance with rules N1.1, N1.2 and N1.3, except concerning the facts found, if requested within the time limit specified in the sailing instructions.
- N1.5** When a full jury has fewer than five members, because of illness or emergency, and no qualified replacements are available, it remains

properly constituted if it consists of at least three members. At least two members shall be International Judges. When there are three or four members they shall be from at least three different national authorities except in Groups M, N and Q, where they shall be from at least two different national authorities.

N1.6 When the national authority's approval is required for the appointment of an international jury (see rule 90(b)), notice of its approval shall be included in the sailing instructions or be posted on the official notice board.

N1.7 If the jury acts while not properly constituted, the jury's decisions may be appealed.

N2 RESPONSIBILITIES

N2.1 An international jury is responsible for hearing and deciding all *protests*, requests for redress and other matters arising under the rules of Part 5. When asked by the organizing authority or the race committee, it shall advise and assist them on any matter directly affecting the fairness of the competition.

N2.2 Unless the organizing authority directs otherwise, the jury shall

- (a) decide questions of eligibility, measurement or board certificates; and
- (b) authorize the substitution of competitors, boards, sails or equipment.

N2.3 If so directed by the organizing authority, the jury shall

- (a) make or approve changes to the sailing instructions,
- (b) supervise or direct the race committee in the conduct of the races, and
- (c) decide on other matters referred to it by the organizing authority.

N3 PROCEDURES

N3.1 Decisions of the jury shall be made by a simple majority vote of all members. When there is an equal division of votes cast, the chairman of the meeting may cast an additional vote.

- N3.2** When it is considered desirable that some members not participate in discussing and deciding a *protest* or request for redress, and no qualified replacements are available, the jury remains properly constituted if at least three members remain. At least two members shall be International Judges.
- N3.3** Members shall not be regarded as *interested parties* (see rule 63.4) by reason of their nationality.
- N3.4** If a panel fails to agree on a decision it may adjourn and refer the matter to the full jury.

DEFINITIONS

A term used as stated below is shown in italic type or, in preambles, in bold italic type.

Abandon A race that a race committee or protest committee *abandons* is void but may be resailed.

Beach Start (B1.1) When the starting line is on the beach, or so close to the beach that the competitor must stand in the water to *start*, the start is a *beach start*.

Capsized (B1.1) A board is *capsized* when her sail or the competitor is in the water.

Clear Astern and Clear Ahead; Overlap One board is *clear astern* of another when her hull and equipment in normal position are behind a line abeam from the aftermost point of the other board's hull and equipment in normal position. The other board is *clear ahead*. They *overlap* when neither is *clear astern*. However, they also *overlap* when a board between them *overlaps* both. These terms do not apply to boards on opposite *tacks* unless rule 18 applies.

Finish A board *finishes* when any part of her hull, or crew or equipment in normal position, crosses the finishing line in the direction of the course from the last *mark*, either for the first time or after taking a penalty under rule 31.2 or 44.2 or, under rule 28.1, after correcting an error made at the finishing line.

Interested Party A person who may gain or lose as a result of a protest committee's decision, or who has a close personal interest in the decision.

Keep Clear One board *keeps clear* of another if the other can sail her course with no need to take avoiding action and, when the boards are *overlapped* on the same *tack*, if the *leeward* board can change course in both directions without immediately making contact with the *windward* board.

Leeward and Windward A board's *leeward* side is the side that is or, when she is head to wind, was away from the wind. However, when sailing by the lee or directly downwind, her *leeward* side is the side on which her mainsail lies. The other side is her *windward* side. When two boards on the same *tack*

overlap, the one on the *leeward* side of the other is the *leeward* board. The other is the *windward* board.

Mark An object the sailing instructions require a board to leave on a specified side, and a race committee boat surrounded by navigable water from which the starting or finishing line extends. An anchor line and objects attached temporarily or accidentally to a *mark* are not part of it.

Obstruction An object that a board could not pass without changing course substantially, if she were sailing directly towards it and one of her hull lengths from it. An object that can be safely passed on only one side and an area so designated by the sailing instructions are also *obstructions*. However, a board *racing* is not an *obstruction* to other boards unless they are required to *keep clear* of her, give her *room* or, if rule 21 applies, avoid her.

Overlap See *Clear Astern and Clear Ahead; Overlap*.

Party A *party* to a hearing: a protestor; a protestee; a board requesting redress; a board or a competitor that may be penalized under rule 69.1; a race committee or an organizing authority in a hearing under rule 62.1(a).

Postpone A *postponed* race is delayed before its scheduled start but may be started or *abandoned* later.

Proper Course A course a board would sail to *finish* as soon as possible in the absence of the other boards referred to in the rule using the term. A board has no *proper course* before her starting signal.

Protest An allegation made under rule 61.2 by a board, a race committee or a protest committee that a board has broken a *rule*.

Racing A board is *racing* from her preparatory signal until she *finishes* and clears the finishing line and *marks* or retires, or until the race committee signals a general recall, *postponement* or *abandonment*.

Room The space a board needs in the existing conditions while manoeuvring promptly in a seamanlike way.

Rule

- (a) The rules in this book, including the Definitions, Race Signals, Introduction, preambles and the rules of relevant appendices, but not titles;
- (b) ISAF Regulation 19, Eligibility Code; Regulation 20, Advertising Code; and Regulation 21, Anti-Doping Code;

- (c) the prescriptions of the national authority, unless they are changed by the sailing instructions in compliance with the national authority's prescription, if any, to rule 87;
- (d) the class rules (for a board racing under a handicap or rating system, the rules of that system are 'class rules');
- (e) the notice of race;
- (f) the sailing instructions; and
- (g) any other documents that govern the event.

Start A board *starts* when, having been entirely on the pre-start side of the starting line at or after her starting signal, and having complied with rule 30.1 if it applies, any part of her hull, crew or equipment crosses the starting line in the direction of the first *mark*.

Tack, Starboard or Port A board is on the *tack*, *starboard* or *port*, corresponding to her *windward* side.

Two-Length Zone The area around a *mark* or *obstruction* within a distance of two hull lengths of the board nearer to it.

Windward See **Leeward and Windward**.

The following definitions apply only to expression competition (B1.2).

Coming In and Going Out A board sailing in the same direction as the incoming surf is *coming in*. A board sailing in the direction opposite to the incoming surf is *going out*.

Jumping A board is *jumping* when she takes off at the top of a wave while *going out*.

Overtaking A board is *overtaking* from the moment she gains an *overlap* from *clear astern* until the moment she is *clear ahead* of the *overtaken* board.

Possession The first board sailing shoreward immediately in front of a wave has *possession* of that wave. However, when it is impossible to determine which board is first the *windward* board has *possession*.

Recovering A board is *recovering* from the time her sail or, when water-starting, the competitor is out of the water until she has *steerage way*.

Surfing A board is *surfing* when she is on or immediately in front of a wave while *coming in*.

DEFINITIONS

Transition A board changing *tacks*, or taking off while *coming in*, or one that is not *surfing, jumping, capsized* or *recovering* is in *transition*.
