

CLASS RULE CLARIFICATION

Class Rule C.6.2.1 – Limitations

This rule limits a competitor to the use of ONE (1) FOIL.

We previously defined one foil as: 1 mast, 1 fuselage, and 1 pair of wings.

The 2018 AGM approved an amendment to allow the use of 2 pair of wings.

The published Class Rules are yet to be clarified accordingly.

The Notice confirms that a competitor may register for this championship:

- 1 mast
- 1 fuselage
- 2 pair of wings (2 front and 2 back)
